WHO IS DIVA DI SERA?

ASTI / ALFIERI STREET

Summer 1970

CONCEPT

It is a sweet moment...rich in scents and flavours... it is a savouring of fruit notes, combined with a wine of excellence, our Moscato.

An elegant, charming and mysterious **DIVA** enters a shop on the central street. She is looking for... a hat. Not just a simple one, but a real representation for her **bohemian-chic expression**. It will be her companion, her reference point, the symbol of her strength, elegance and charm.

The Diva finds what she is seeking, steps out and begins her trip, towards the sea...

A **voyage full of scents and flavours, of traditions mixed with revolution**. The **DIVA**, with her hat, will visit faraway places, and will be

the protagonist of carefree moments, of evenings with a light breeze and the scent of **Moscato**, of magical nights..

DIVA DI SERA IS A DESIRE TO ENJOY A JOYFUL AND RARE MOMENT OF LIGHT-HEARTEDNESS...
